

# We're looking at work in a whole new way.

At CORESTAFF Services, we understand the challenges facing companies today in hiring the right people:

**Urgency.** Technology and information flow can make companies more nimble in the marketplace, provided they can access the resources to make things happen.

**Risk.** Companies face an uncertain business climate, uneven global competition and a host of legal and compliance issues in employment.

**Economics.** There is just no buffer in human resources. The human capital at your company is a critical investment that requires deep expertise and delivers the right results.

To help you respond to those challenges, CORESTAFF has a full spectrum of services that help companies find the right talent, at the right time, on the right terms.

## Work with all the possibilities.

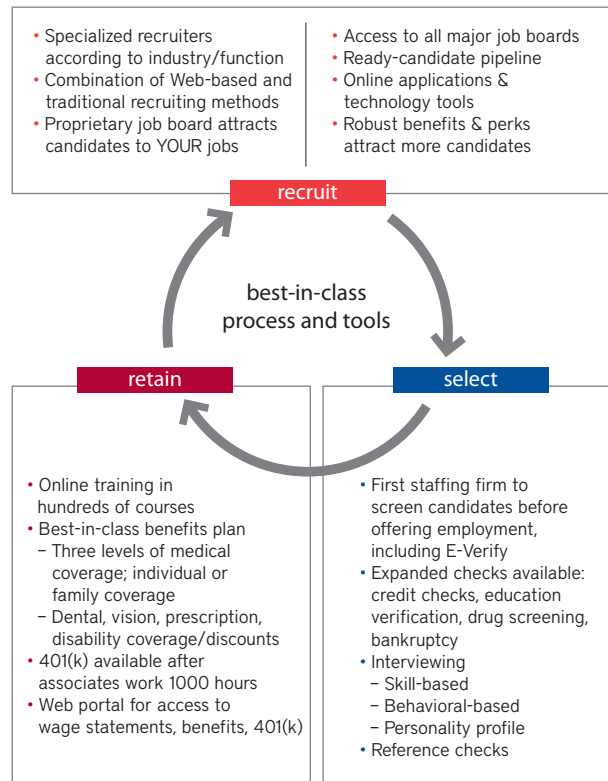

Our broad, nationwide capabilities allow us to be a single-source provider for all of your contingent workforce needs, bringing financial and management control to a process that most companies find labor-intensive, inefficient and expensive.

Here's our approach to working with your company:

**You are in the driver's seat.** Our service offering is totally flexible, interactive, and responsive. Whether you simply want an outside provider, a full-time on-site account manager, or a partner to take you into the future, we can provide that level of service and commitment.

**Our expertise becomes your expertise.** We can advise you on ways to staff a project, a division, or an entire organization. We can also manage the entire employment life cycle for you, allowing you to concentrate on your core business.

**We're here to help you work better.** It is CORESTAFF's business to keep pace with employment trends, workplace issues and evolving skills, and we're innovators when it comes to people and work. Our performance benefits the most critical areas of your business: human resources, procurement, finance and profitability.

CORESTAFF has developed a rigorous methodology to bring control to hiring, training and retaining contingent professionals in a diverse range of skill sets.

**Recruitment.** CORESTAFF combines an experienced network of industry-focused recruiters, web-based and traditional recruiting methods, and our own ready-candidate pool to provide ample qualified options. We use online applications and streamlined payroll options to get people on board faster.

**Selection.** CORESTAFF pioneered pre-employment candidate screening, and our current battery of screens reflects the needs of today. Our interviewing process is thorough and multifaceted, designed to assess skills, behaviors, and personalities so you can achieve the right fit.

**Retention.** CORESTAFF offers online training in hundreds of courses and a best-in-class benefits plan that attracts top drawer candidates and keeps them loyal – benefits that transfer directly to you.
